## CUSTOMER TESTIMONIALS

The testimonials below are exclusive reviews of our football products and services from various clubs and teams:

“ Veto have been fantastic supporters and partners of Football Brisbane. They have been the provider of our representative teams’ apparel and have always been extremely collaborative in the design of those and also thinking outside the box to provide the best possible look for the product. The communication has always been spot-on and delivery timeframes have always been met. ”

It’s not only the supply of apparel where Veto shines but they’re acutely aware of the local football community’s needs and want to be actively involved in that community through events such as the special design of kits for clubs during NAIDOC Week. It’s always something that our clubs take great pride in and Veto does a wonderful job in promoting these type of activities.

We look forward in continuing a prosperous and valued relationship with Veto in the future. ”

**RAFE GRIFFIN, GENERAL MANAGER - FOOTBALL QUEENSLAND BRISBANE**

“ As past President of Hobart Zebras and now Co-President of the new amalgamated Clarence Zebras Football Club, I have been associated with Veto Sports for over 10 years as the clothing supplier for both clubs. It has been a highly successful partnership and very beneficial for both parties. ”

With formation of the new club, Veto Sports helped with the design of a club logo , clothing and new social media platforms. Despite Covid19, they have supplied over 400 new playing strips and a further 400 training tops for the start of this season. On top of this, Veto Sports have also set up a new online shop for merchandise sales for the club. I can highly recommend Veto Sports as the company that “goes the extra mile. ”

**NICK DI GIOVANNI, PRESIDENT - CLARENCE ZEBRAS FOOTBALL CLUB**

“ AC CARINA FC have been partnered with Veto Sports for just over six years and are currently extending our partnership for an additional four years. Over this time period, the club has developed and evolved with Veto to ensure that our players, members and supporters have access to apparel of the highest quality. ”

Veto’s in house design team deliver bespoke ranges to the club, ensuring that our club apparel is uniquely our own. Their vast range of on-field and off-field apparel, coupled with every piece of equipment you could possibly need means that we don’t need to look anywhere else and can use Veto Sports as a one-stop-shop.

I would highly recommend Veto Sports to any club within the country. ”

# INDIGENOUS ARTWORK + DESIGN, + OFFICIAL PARTNERSHIPS

## HOW VETO SPORTS WORKS WITH INDIGENOUS ARTISTS

Veto Sports works closely with a number of Indigenous artists, designers and creators to create bespoke football kits for carnivals, championships and special occasions such as NAIDOC round.

Below is a testimonial from just one of the indigenous artists Veto Sports work with who created a NAIDOC 2020 jersey for Springfield United FC:

“At MA Deadly Art, we ensure we include all relevant stakeholders in the initial concept conversation process. We meet and talk specifically with the club or team to learn of their core values and/or club story to construct our piece. We take an immense pride in acknowledging the traditional area of each club/team, and we always ensure a healthy inclusion of native flora and fauna to our works.”

We feel it is critical for each club/team to understand the importance of our artwork and the message it conveys, as well as Indigenous culture and storytelling. Throughout the design and delivery, MA Deadly Art ensures we communicate effectively with the club and its members about the visual messages portrayed, and also how it resonates and finds meaning to us. We refer to it as our collective representation approach.

MA Deadly Art takes great pleasure in designing and delivering a uniquely customised story for each club/team. We work collaboratively with Veto Sports and have complete faith in their ability to translate our work effectively from canvas to garment, ensuring the highest quality presentation of our work for clubs and teams around Australia.”
