CUSTOMER TESTIMONIALS

The testimonials below are exclusive reviews of our basketball products and services from various clubs and teams:

I can highly recommend Veto as a Basketball Uniform supplier. From the great prices, to great communication, to the ability to sit with their artists and get exactly the design and cut we wanted, Veto ensured that we were completely happy with our order.

They also created our reversible practice singlets, which were as well made as any design I have seen worldwide, in my 45 years experience playing, teaching, coaching and observing Basketball.

BRETT SUE SEE - BRISBANE STATE HIGH SCHOOL BASKETBALL, METROPOLITAN EAST SCHOOLS BASKETBALL, QUEENSLAND SCHOOLS BASKETBALL, SCHOOL SPORT AUSTRALIA BASKETBALL

We had been looking to move to a different supplier and manufacturer for all of our basketball uniform needs for some time, and Veto Sports were by far the best option for us. Their quick turn-around times coupled with the quality of their products made them the standout choice for all our basketball merchandise needs.

Veto Sports were able to bring in fresh ideas for our club merchandise; from new basketball uniforms that matched our current style while still having a modern point of difference, to great looking off-court apparel for both the players and our staff. They did all of that and produced everything within a short timeframe. We've been very happy with what we've seen at Veto so far and can't wait to see what the future holds for our partnership.

LACHLAN NUTTALL, PROGRAMS COORDINATOR - SOUTHERN DISTRICTS BASKETBALL ASSOCIATION LTD

Belmont Saints Basketball Club is now known to be one of the fastest growing clubs in South East Qld. Initially with 43 members in early 2019, our member base has grown to 350 players today. And we have no reason to slow down.

The staff at Veto Sports are second to none when it comes to customer service! Adam in particular has been a tremendous help getting our club sorted for the past two years, from ordering uniforms to accommodating our transition into a total re-brand. Our new uniforms for this year have been a huge hit with our younger players, Veto came up with a brand new jersey design to go hand-in-hand with our new club logo and style, giving us a great look on the court.

We genuinely appreciate their attention to detail and creative approach to our club so we cannot thank the team at Veto Sports enough!

MELISSA PARR, PRESIDENT - BELMONT SAINTS BASKETBALL
